The following is a copy of the general orders of Gen'l Scott, on retiring from his command of the army :-

HEADQUARTERS OF THE ARMY, General Orders, ? By instructions of the President of the U. S., just received, Major General Scott turns over the command of the army to Major Gen'l Butler, who will immediately enter upon duty accordingly. In taking official leave of the troops he has so long had the honor personally to command in an arduous campaign -a small part of whose glory has been, from position, reflected on the senior officer, Major General Scott is happy to be relieved by a general of established merit and distinction in the service of his country. By command of Maj. Gen'l Scott.

The Married Woman's Private Medical Companion, by Dr. A. M. MAURICEAU, Professor Diseases of Women, 3d edition, 18mo, pp. 250; price \$1. 25,000 copies sold in three months.

The great demand for this most important work, of which thousands are sold.) has compelled the issue of another edition. It is intended especially for the married, as it discloses important secrets which should be known to them particularly. Here every female can discover the causes, symptoms, and the most efficient remedies, and most certain mode of cure, in every complaint to which her sex is subject.

It is an important question to the married why it is that we behold so many married females sicky, debilitated, and prostrated, as also the causes, and whether they are susceptible of remedy. They will here find these important matters, connected with discoveries in medical and physiological science, which meets that question.

This work is designed to be in the hands of every wife and mother who has a regard for her own health and welfare, as well as that of her husband. The revelations contained in its pages have already proved a blessing to thousands.

To those yet unmarried, but contemplating marriage, or, perhaps, hesitating as to the propriey of incurring the responsibilities attendant upon the importance of being possessed of the reveations contained in these pages so intimately intolving their future happiness, cannot be apprecia-
